

2017 Summary of changes to rules for World Cup Tasters Championship

To take effect in Budapest WCTC 2017

For internal use only—not to be used in replacement of the WCTC Rules. Please refer to <http://www.worldcuptasters.org/> for complete Rules document.

Based on feedback from competitors and staff, specific direction in regards to water containers and spit cups has been clarified. Specific direction for competitor use of sponsor supplies, when provided, has also been included.

Full Changes:

New handling of supplies

2016 Rule(s)	New Rule(s)
<p>6.L Competitors must bring their own spoon for tasting the coffees.</p>	<p>6.L Competitors must use the sponsor supplies, where provided. Sponsor supplies include, but not are not limited to, spit cup and/or water container.</p> <p>6.M Competitors must bring their own spoon for tasting the coffees. Competitors are allowed to bring their own water container and/or spit cup (1 container each, no larger size than 1L), only in the event that no sponsored supplies are provided by WCE.</p> <ul style="list-style-type: none"> A. Only the competitor’s water container may rest on the competition table. B. Competitor’s spit cup must be held by competitors. There will be a bucket beneath the table, should the competitor need to dump the contents of his/her spit cup. C. If competitors bring their own spit cups and water containers that contain logos, they must be approved by WCE in advance of competition.
